Dear friends,

God has opened the door for me to go on a mission trip to Hong Kong with a team based in northern Colorado in November 2026. Your prayers and/or financial support would be most welcome.

We'll be working on conversational English, religion/ethics, music, art, and sports with junior and high school students at Lui Ming Choi Lutheran College. It's one of several schools run by the Lutheran Church in Hong Kong. Many of the students are spiritually pluralistic. They attend the school because their parents want them to learn English and Western customs. The doors are open for us to discuss our faith during classroom conversations, over meals, and after school.

The costs are $1,800 total for each of us. That includes airfare, ground transportation, lodging, and food.

If you're able to contribute tax-deductible financial support, please address a check to our funding partner, Christian Mission Teams, in the enclosed stamped envelope. Please write "for the ministry of (your name)**,** Hong Kong 2026" on the check memo line. Christian Mission Teams is a nonprofit 501(c)(3) organization registered in the State of Colorado. They will send you a tax-deductible receipt. Their website is christianmissionteams.org.

To get the best airfares, Christian Mission Teams needs any donations by May 31, 2026.

Most of all, I covet your prayers before, during, and after the trip. I'll send you a report about our trip once we return.

Many thanks for considering this request.

Sincerely,

[your name]
